RE: Notice of Non-Compliance
Safety-Kleen (Wichita) Inc.
KSD007246846

Dear Ms. Travis,

This letter is in response to your July 22, 2002 correspondence. You requested additional information concerning our response to violation #6: failure to maintain the roofs in several waste storage areas.

An independent contractor is currently making repairs to the roofs. At this time, we expect the repairs to be completed no later than August 15, 2002. I will submit to your office a copy of the final invoice from the contractor as documentation that the repairs have been made. Should you require additional documentation, please contact me.

Thank you for your consideration in this matter. If you have any questions, please do not hesitate to contact me at 316-269-7400.

Sincerely,

Russell J. Dunn
Facility Manager
